

# HC After Hours

## Option 1: Getting the Salon Look at Home

If you want to learn how to get that perfect salon smooth hair every time, this class is for you. We'll teach you how and why to use product, proper sectioning technique, and how to get the best performance from your hair dryer and hot styling tools. We don't stop there! We'll also give you some simple tips for adding a braid or other accent to your look to kick things up a notch.

## Option 2: Makeup Application

It's nice to watch YouTube videos about how to do facial contouring or a sexy smoky eye, but how about having someone come to your home and teach you using your own products? This class will teach you everything you need to know about how to use the latest makeup techniques for a flawless look every time. This class has tips for women who are just getting started with makeup and women who've been wearing it for years but want to try something new.

## Option 3: Competitive Cheer/Dance/Gymnastic

This class is geared toward the competitive dance or cheer-leading squad that wants to take their hair and makeup to the next level. Often times, judges will deduct points for a sloppy look. This class will focus on creating an easy, complete look that everyone on the team can replicate. We'll show you techniques for the best stage makeup from false eyelash application to how much makeup to apply to avoid onstage wash-out. We'll talk hair, too! Keep those accessories from falling out and the flyaways at bay. You'll be stage ready in no time with this exciting class the whole team can take!

## Option 4: A Visit from the Glam Squad

For our clients who just want to be pampered, we can help with that, too! We'll come to your home, venue, or other location to style you and your crew for a wedding, photo shoot birthday party, a night out on the town, or other special event. We'll do your hair, makeup, and nails to ensure you look your best no matter what the occasion!

If you have an idea for an event not listed here or if you want to learn more about HC After Hours events including pricing and scheduling, contact us at (814) 881-0123 to speak with our events specialist.
